A view of beautiful Fairwood Farms at McHenry, Illinois, where these cattle were reared. The farm and herd is owned by M. L. Magee, Chicago, Illinois.

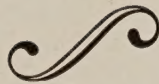

Dear Friends:

It is with deepest regret that I find it necessary to disperse my good herd of Scotch Shorthorn cattle. The cattle have meant much to me. They have given me diversion, satisfaction, and above all, I have gained much pleasure from the association with the many fine people engaged in the business.

Shorthorn cattle have been my pride and joy since early childhood. While I will miss the herd greatly, there will be much satisfaction in the knowledge that these cattle, which are being offered in just the right breeding condition, will do well and will prove profitable for their new owners.

Sincerely yours,

M. L. MAGEE.

Information for the Buyer . . .

Time—Saturday, September 13, 1947. Sale will start promptly at 12:30 P.M. Central Standard Time.

Location—This sale will be held in the pavilion owned by the Abingdon Sales Company at Abingdon, Illinois. This is the same pavilion where the "Sales of Satisfied Buyers" are held. Abingdon is located just 12 miles south of Galesburg and may be reached on pavement from every direction. Frequent buses run from Galesburg which is on the main line of the Burlington and Santa Fe railroads. Abingdon is on the Kansas City Branch of the Burlington Railroad.

Health—Everything in the herd has been vaccinated for Bangs Disease, mature animals as well as calves. All animals under 30 months old were calfhood vaccinated and vaccination certificates will be supplied. All animals over 30 months old have been tested for both Bangs Disease and T.B. within 30 days of the date of the sale and all are clean. Health certificates will be supplied for each individual lot.

Guarantee—Although this is a complete dispersion, the cattle will be sold with liberal guarantees. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. Heifers under 16 months at the time of the sale are not guaranteed breeders. All other females are guaranteed to be breeders. A number of the mature females have been turned with the bull and we cannot give actual breeding dates, but nearly all either have calves at foot or show definitely to be in calf. Notice must be given within 90 days of any female or bull that seems to be a doubtful breeder. In case an animal fails to be a breeder up to a 6 months time limit, the owner, M. L. Magee, agrees to refund in cash without interest the difference between the purchase price and the slaughter price. The above guarantee shall constitute a contract between M. L. Magee and the buyer of each lot. Neither the Sale Manager nor the Clerk of the Sale assumes any liability, legal or otherwise.

Terms—The terms of the sale are cash unless other arrangements are made in advance with the owner. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All animals are at the buyer's risk as soon as bid off, but will not be released until settled for.

Registration—A certificate of registration with properly recorded transfer of ownership will be furnished for each lot sold, and an application for registry furnished for each calf sold at foot and for each unborn calf sold in dam.

Mail Bids—Those wishing to buy at this sale who cannot be present may send bids to Hal Longley or Don Longley, care The Shorthorn World, Aurora, Illinois; C. K. Tomson, Secretary of The American Shorthorn Breeders' Ass'n., 7 Dexter Park Ave., Chicago 8, Ill.; Tom Sherlock, care The Drovers Journal, Union Stock Yards, Chicago, Illinois; or to the auctioneer.

Auctioneers—J. E. Halsey and Ross L. Clark.

Sale Manager—Hal Longley, 16 So. Locust St., Aurora, Ill.

Owner—M. L. Magee, 2244 Elston Ave., Chicago 44, Ill.

Liability—We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

OCASIONALLY one finds a herd that is not widely known but that has been established and maintained on a much firmer foundation than some that are better known. Such is the herd owned by M. L. Magee, a Chicago business man and maintained at his Fairwood Farm at McHenry, Illinois. Those who study this catalog will agree that cattle of exceptionally strong ancestry were included in the foundation, and those who have visited the farm are aware that the herd has been maintained on a healthy and practical basis.

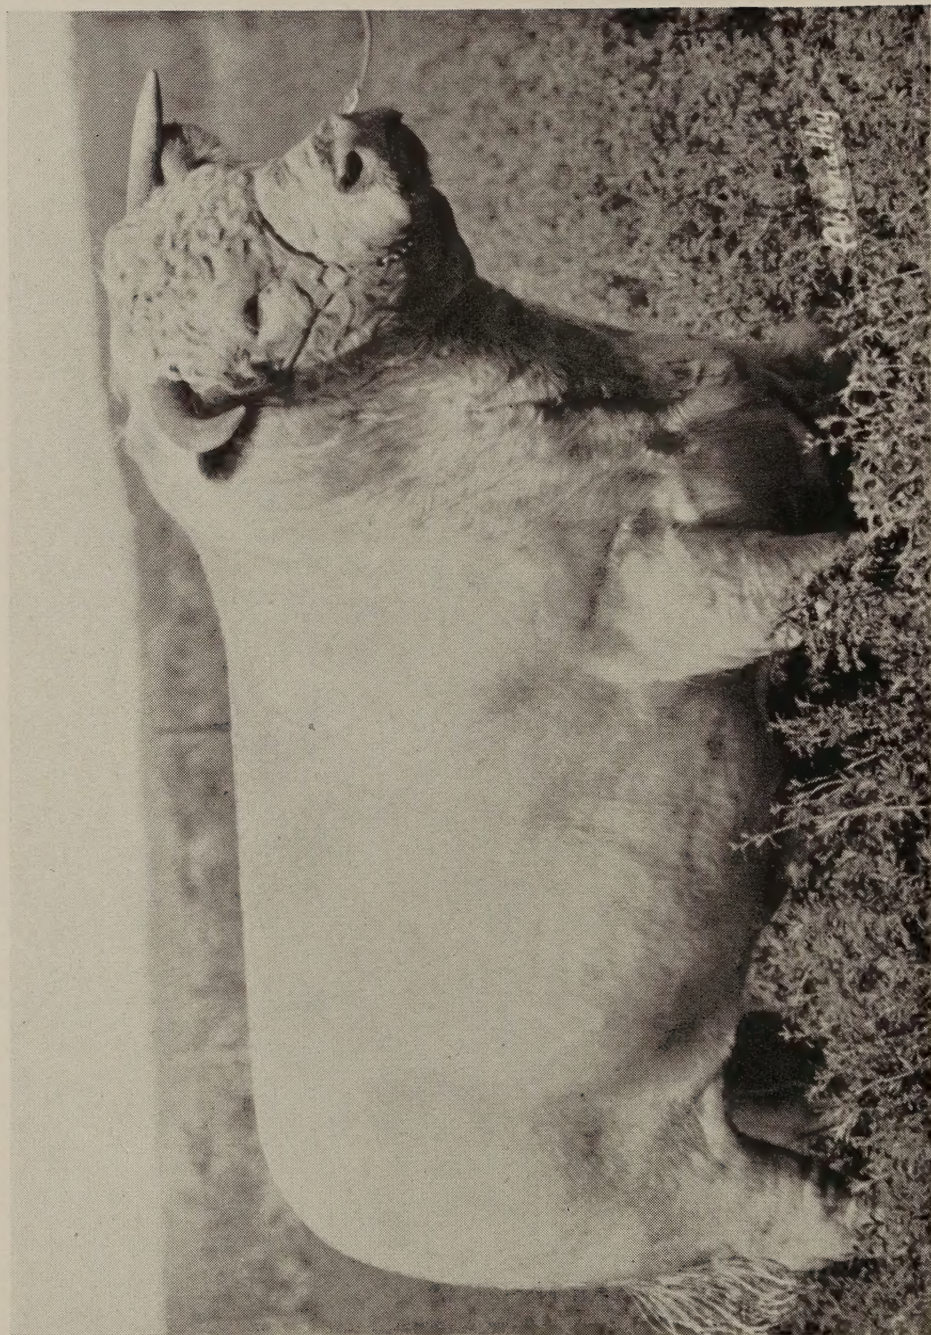

The pressure of other business makes it necessary for Mr. Magee to disperse the herd and these richly bred cattle will sell to the highest bidders on September 13th. For the convenience of buyers, the sale will be held in the pavilion at Abingdon, a familiar spot to thousands of Shorthorn breeders.

This herd was founded through the purchase of royally bred females from Edelyn Farms, Helfre Farms, Miles-of-View Farm, Merryvale Farms, Bellows Bros., Allendale Farm, Carl Retzlaff and other noted herds. For the past several years the two great bulls, Son of Mercury and Peter the Great, have been in service. Each is son of a Perth champion, each is a superior individual and each is a great sire. Both bulls will be sold, along with many calves to prove their worth.

The health of the herd is excellent. Every animal in the herd has been vaccinated for Bangs. All of the mature animals have been tested within thirty days of sale date and all are now clean. Those under thirty months old will be sold with a certificate of calf-hood vaccination. I was greatly impressed with the condition of the cattle when I last saw them on August 4th. The heifers, though not in show shape, are in perfect flesh condition to insure proper development. The cows, though not gobby with fat, are in grand flesh condition and are doing a good job of rearing their calves.

Mac Magee is a lover of Shorthorns and a good cattleman. We will miss him from the ranks of Shorthorn breeders. He is selling the kind of cattle that will be appreciated by those who are good judges of individuality and pedigrees. Although this is a dispersion, the cattle are backed by strong guarantees. There will be real bargains in this sale. I urge you to take advantage of them.

HAL LONGLEY.
of The Shorthorn World.

SON OF MERCURY, one of the blockiest and shortest legged bulls in America. A son of the Perth champion, Imp. Calrossie Mercury. He will sell in this dispersion along with his calves.

Calrossie Mercury, white, was Supreme Perth Champion, and was imported by Thos. E. Wilson. He was sired by Calrossie Control, a Perth champion, and Calrossie Control was sired by Collynie Royal Leader, also a Perth champion. Calrossie Mercury only sired one calf in Scotland, Calrossie Souvenir, and he too was a Perth champion. So the sire of Son of Mercury was a Perth champion, his grandsire was a Perth champion and his great grandsire was a Perth champion, as well as his half-brother.

Brawith Count, a dark roan bull, was considered the best sire of heifers ever used by Thos. E. Wilson. Brawith Count was sired by Imp. Brawith Boy, the only Scottish Highland Supreme champion ever imported.

Raveni Leader, a roan bull, was undefeated junior calf and junior yearling bull at the International in 1932 and 1933. Raveni Leader was sired by Browndale Pilot, a white bull that earned him the title "Premier Living Sire." Browndale Pilot was by Browndale Coronet, sire of the first prize get of sire at the International in 1925. Browndale Coronet was sired by Browndale Count.

NOTE—Son of Mercury is without doubt the thickest, blockiest, shortest legged son of Imp. Calrossie Mercury and one of the shortest legged, blockiest bulls in America. He has proved himself a top sire and is in perfect condition to go right on. As a yearling he developed a callus on his left front knee but this has never bothered him. Here is your opportunity to secure one of the best tried sires of the day.

PETER THE GREAT, the good son of the Perth champion, imp. Calrossie Prince Peter that has been used with success in the Fairwood Herd. He will sell, along with his calves, in the complete dispersion of this herd.

Peter the Great was sired by Calrossie Prince Peter, Supreme Perth champion, he by Calrossie Randolph and he by Calrossie Grand National.

Sni-A-Bar Rodney was a dark red bull sired by Imp. Bridgebank Rolox, a bull sold to Winmoor Farms at Dundee, Ill., and, after making quite a record, was purchased by Sni-A-Bar Farms.

A heifer from the same family was sold to Curtiss Candy Company by Marellbar Farms for \$5,000.00.

NOTE—The picture on this page shows Peter the Great as he looks today. He is in the prime of his life, rugged, good colored. There will be plenty of his calves in the sale to prove the worth of this tried sire.

Sni-A-Bar Royal Baron is a double grandson of that famous imported bull, Baronet, bred by George Walker, Aberdeenshire, Scotland. He was purchased by Sni-A-Bar Farms in 1934 at the Congress Sale.

Sni-A-Bar Crown, considered one of the outstanding calves of 1935. Topped the Sni-A-Bar Farm Sale of that year, going to George B. Longon and later was repurchased by Sni-A-Bar.

Sni-A-Bar Royal Baron won first in a class of 37 senior bull calves the first time he was shown, and as a 2-year-old was undefeated in class and was champion more times than he was defeated. His sire, his grandsire and he have all been International prize winners.

Dam: Rosewood of Aberfeldy is a product of three generations of breeding by John Gardhouse & Sons, Western, Ontario, and is one of the best cows in the Sims herd.

A full sister of Elcona Velvet Rosewood topped the Sims Sale in 1946, going to Broadfields Farms at Muncie, Ind., for \$3000.00.

NOTE—Elcona Velvet Beauty is the kind of an individual you will like and her pedigree certainly recommends her. She was bred March 18, 1947 to Son of Mercury.

He was the second highest priced bull in the sale and the highest price of any of the bulls under one year of age. This bull was injured and had to be sold shortly after he sired a few good cattle. Supreme Golden Seal—a dark roan bull used by my neighbor in Missouri, Chas. Allen. He sired a lot of good cattle for Mr. Allen and with just plain breeding his dispersion sale in 1943 averaged \$350.00 each, with a top of over \$500.00. Supreme Golden Seal was sired by Divide Advance 2d, the top selling bull in the sale of The Allen Cattle Co. in 1937. He made a great success in the Bellows Herd. Divide Advance 2d was sired by Browndale Goldspur, grand champion of the International in 1929.

Browndale Goldspur was by Browndale Count, sire of three International grand champions and is responsible for more winners than any bull in America.

Supreme Chief was a good dark roan bull used by Bellows Bros. Supreme Client, bred by Bellows Bros. and used by them, as well as J. W. Dana, Polo, Mo., and Roy Wilkinson of Mound City, Mo. Supreme Client was by Maxwalton Baron used for a number of years by Otto Wenrich, Oxford, Kansas.

Probably no pedigree in the country is backed by more generations of Bellows breeding.

Brawith Count, roan, was considered the best sire of heifers ever used by Edellyn. He won as a yearling at the International and was retired to use as a sire after this winning. Brawith Count was by Brawith Boy, the only Scottish Supreme champion ever imported.

Raveni Leader, roan, was undefeated junior calf and junior yearling bull at the International in 1932 and 1933. He was by Browndale Pilot, a white bull that earned him the title of the "Premier Living Sire." Browndale Pilot was by Browndale Coronet, sire of the first prize get of sire at the International in 1925, and he was by Browndale Count, sire of three International grand champions and no bull has ever sired more champions.

Balcairn Regal Star, was an outstanding imported bull used by Wilson for a short time.

NOTE—Edellyn Orange Blossom 35th is the dam of our great herd bull Son of Mercury. We had the misfortune of losing her last calf and she will not be in proper flesh to bring her true value. However, her son has done a grand job for us and her helper calf, also selling, is a real show prospect.

The Perth Champion, Imp. Calrossie Prince Peter. Much of his blood is included in this offering through his good son, Peter the Great.
